TO THE INVESTMENT PROMOTER

This application is sponsored by Discount Investment Originators of Australasia (DIOA), a trading entity of Japhener Pty Ltd, a company licensed as a dealer in securities by the Australian Securities and Investments Commission.

It is submitted on a "No Advice - Minimum commission" basis and is conditional on the promoter participating in the DIOA commission capture process and on this statement being signed.

Please pay normal commissions on this application to Japhener Pty Ltd Trust Account at the address below and ensure that the investor name and postal address is identified.

DIOA will pay the investor the commission received less handling fees of $55 and 10% of the commission.

If the promoter has any questions please contact DIOA.

FOR INVESTOR ATTENTION

I/We acknowledge that I/we have done our own research in selecting this investment and have received no advice from DIOA.

I/We further acknowledge that the promotion of the DIOA commission capture service in conjunction with the promotion of any particular investment does not constitute any opinion by DIOA on the suitability or otherwise of the investment. Indeed, I/We acknowledge that it is unlikely that DIOA knows what investment is being co-promoted and if it does know, it is unlikely that it has even read the investment's Product Disclosure Statement (Prospectus).

I/We understand DIOA will retain $55 plus 10% of the commission before passing the remainder on to me/us.
